company profile

Pinnacle Construction Group, LLC., was founded by Lawrence C. Zeug and offers a full range of construction and building services. With a full in-house staff Pinnacle has earned a reputation for quality and service. Mr. Zeug manages the company’s day-to-day operations and with his staff, they bring a unique ‘team’ approach to each of their projects

Pinnacle specializes in High-End construction, renovations, restorations, new homes and commercial work. They are committed to building a close and professional relationship with the Owner and Architect to provide a successfully executed project. Pinnacle combines three essential elements to insure a successful project:

- quality workmanship and expertise
- completion within budget
- completion on schedule

With over 25 years experience in the building industry, Mr. Zeug has obtained a solid, well-respected reputation in all aspects of construction from fine carpentry to project management. Combining knowledge, expertise and appreciation for design, Pinnacle Construction projects exhibit quality craftsmanship with attention to exquisite detail.
